VERBOAT

VERBOAT®

# A NEW WAY TO MOVE ACROSS WATER!

The **OVERBOAT®** is an electric personal water craft that is smart, quiet and respectful of the marine environment.

Available as a single-seater without a license or as a two-seater, with or without hydrofoils.

## THE OVERBOAT® CLEAN, SMART & ZEN

### ZERO EMISSIONS

Respectful of the marine environment

### ZERO NOISE

100% electric personal water craft

### ZERO WAKE

Thanks to the hydrofoils

Intuitive 7" LED color screen and throttle.

## INTUITIVE, PRACTICAL, LIGHT

Practical storage compartment.

Simple and fast battery charging.

OFFERS YOU THE ONE-OF-A-KIND PLEASURE AND SENSATION OF FLYING ON WATER!

## 100F SINGLE-SEATER HYDROFOIL

### KEY POINTS

- Boating qualities
- **Customizable:** remote control, colors, tarps, trailer, geofencing, etc.

### TECHNICAL DATA

- **Length:** 3.15 m (10' 3")
- **Unladen weight:** 282 lbs (128 kg)
- **Maximum load:** 220 lbs (100 kg)
- **Electric motor:** 4.5 kW, 50 V
- **Batteries:** 5.7 kWh
- **Hull:** polyester / fiberglass
- **3 self-regulated hydrofoils**
- **Charging time** 1.5 hours

### PERFORMANCE

- **Top speed:** 15 knots (17 mph)
- **Cruising speed:** 12 knots (14 mph)
- **Take-off speed:** 8 knots (9 mph)
- **Battery life:** 2 hours

2-year warranty

## 150F TWO-SEATER HYDROFOIL

### KEY POINTS

- High performances
- **Customizable:** remote control, colors, tarps, trailer, geofencing, etc.

### TECHNICAL DATA

- **Length:** 3.35 m (11')
- **Unladen weight:** 397 lbs (180 kg)
- **Maximum load:** 331 lbs (150 kg)
- **Electric motor:** 10 kW, 50 V
- **Batteries:** 10 kWh
- **Hull:** polyester / fiberglass
- **3 self-regulated hydrofoils**
- **Charging time** 1.5 hours

### PERFORMANCE

- **Top speed:** 20 knots (23 mph)
- **Cruising speed:** 15 knots (17 mph)
- **Take-off speed:** 10 knots (10.5 mph)
- **Battery life:** 2 hours

2-year warranty

\*Non-contractual data

**VERSION WITHOUT HYDROFOILS, EASY TO HANDLE, FOR BODIES OF WATER WITH SPEED LIMITS**

OPTIONS AND FITTINGS TO BE AGREED FOR PORT USE

## 100C CLASSIC SINGLE-SEATER

### KEY POINTS

- Hull to limit impact of chop
- **Customizable:** remote control, colors, storage compartments, tarps, trailer, geofencing, etc.

### TECHNICAL DATA

- **Unladen weight:** 243 lbs (110 kg)
- **Maximum load:** 220 lbs (100 kg)
- **Electric motor:** 4.5 kW, 50 V
- **Batteries:** 5.7 kWh
- **Hull:** polyester / fiberglass
- **Charging time** 1.5 hours

### PERFORMANCE

- **Top speed:** 12 knots (14 mph)
- **Cruising speed:** 8 knots (9 mph)
- **Battery life:** 2 hours

2-year warranty

## 150C CLASSIC TWO-SEATER

### KEY POINTS

- Hull to limit impact of chop
- **Customizable:** remote control, colors, storage compartments, tarps, trailer, geofencing, etc.

### TECHNICAL DATA

- **Unladen weight:** 309 lbs (140 kg) / 353 lbs (160 kg)
- **Maximum load:** 397 lbs (180 kg) / 353 lbs (160 kg)
- **Electric motor:** 4.5 kW, 50 V
- **Batteries:** 5.7 kWh / 10 kWh
- **Hull:** polyester / fiberglass
- **Charging time** 1.5 hours

### PERFORMANCE

- **Top speed:** 12 knots (14 mph)
- **Cruising speed:** 8 knots (9 mph)
- **Battery life:** 2 hours

2-year warranty

# THE OVERBOAT'S ASSETS

## ALL THE FUN OF HYDROFOILING WITHOUT HAVING TO LEARN IN COMPLETE SAFETY

### Very accessible

A water craft built like a drone, with sensors and a processor that regulates the flight through actuators which change the incidence of the hydrofoils 100 times per second!

### Adapted for professionals and individuals

The Hydrofoil 100F model without license is perfectly suited for rental locations, especially with the geofencing option.

The Hydrofoil 150F model is very well adapted to sailing schools and training centers.

The 100C and 150C classic models are designed for bodies of water with speed limits. They are very easy to use.

### Energy efficient

It consumes ten times less energy than a boat with an internal combustion engine and twenty times less than a scooter at the same speed.

Its batteries allow for 5 years of regular use, and can be changed.

### Navigation that is respectful of the marine environment

It does not emit any CO<sub>2</sub>, nor any waste, and does not create noise pollution for the local residents and the marine wildlife.

A high-performance, innovative, quiet  
and environmentally-conscious personal water craft.

NEOCEAN® is committed...

to ocean protection, and has been awarded various labels:

- 1000 solutions for the planet by Solar Impulse Foundation (Switzerland)
- Green Tech Innovation by France's Ministry of the Ecological Transition
